A Christmas Concert featuring ladies voices, harps, bells, with fiddle, cello and organ. 22 MP3 Songs FOLK: Traditional Folk, CLASSICAL: Traditional Details: This Christmas concert is Yuletide in miniature, from the preparation of Advent through the Twelfth Day of Christmas. Angels fly back and forth with messages, a boar's head is roasted, halls are decked. Kings and shepherds visit Jesus, friends visit friends, musicians celebrate. As the old year glides into the new, we reconsider the worth of our earthly goods. The rich reach out to the poor, and the poor give back surprising riches. All proceeds benefit the Community Music School of Santa Cruz.
