[DOWNLOAD HERE](#)

A very full and warm piano style, with much emphasis on treating the melody with soul. this particular album is for listening and dancing. 21 MP3 Songs EASY LISTENING: Mood Music, JAZZ: Smooth Jazz
Details: Phil Klein has spent his life in music, as a solo pianist, band pianist, composer, arranger raconteur and music educator. He creates unique pianistic stylings and approaches to the great songs (from the 20's thru 60's) which have exercised wide appeal (he receives communications from every sector of the U.S. from people who have heard his playing and want to obtain his albums. It has been said that Phil Klein's music, as background, could even be used for meditation. Innumerable listeners have commented about "wearing out the discs"; how they listen to them constantly on their car radios; "how the music brought my aging mother back to health..." Although much of the response has been from older listeners, many younger people (ranging from age 30 upwards) have "discovered this sound, and love to use it as background for dining and other occasions. Look for the distinctive logo which is designated as Phil Klein's OURMUSIC.
