Southern fried country rockin' guitar driven sang alongs for the heart soul and out of mind experience we all so desperately long for 14 MP3 Songs COUNTRY: Country Rock, ROCK: Americana Details: This record is deeply imbedded in southern rock roots with a hearty injection of souful country attitude. Unmistakibly real with driving guitar overtones and outstanding arrangements, these songs will undoubtedly make you feel like you're who they were written for. Produced by Mike Kinnamon. This is a masterful compilation of songs compiled by a small group of guys relatively new in the familiarity department to one another. Lyman Ellerman and Jerry Turley, after leaving their last project, Redd Skyy, finally were introduced by manager Mike Kinnamon to Jason Morgan and Gary Welch. After only eight months of working together they have successfully finished their first full disc production. This group of songs easily defines the direction the band is headed. Ellerman, along with other veteran songwriters from all over the USA who have settled in to the Nashville, Tn area, wrote and co-wrote every song on the record. Yep, all 14 of them!! As a band....., Ragged Jack is scoring rave reviews out on the road. Struggling along, but gaining momentum with every turn of the wheel, they're just getting started. Watch for good things in their camp. Hope you enjoy!!
