Details: Secret Online is an Ancient-Chinese-style MMORole-Play-Game focusing at Qin Dynasty or Ch'in Dynasty about 2,200 years ago. Before composing this Soundtrack CD, Rockman Chen, the music composer, reviewed ancient articles and musical scores of Qin Dynasty. Then he started to work on this computer game. Inspired by the moving stories in the game, Rockman Chen was full of passion and energy during the whole process of his creation. After 8 months fantastic music journey through the Great Qin Dynasty, all the music was done. Since the day when Secret Online was open to the public, lots of game players and game developers have thought highly of Rockman Chen's work. And now Rockman Chen likes to introduce you this original soundtrack.

Track #1 Login: The Chaos Kingdom is Symphonic and Epic for the Chaotic situation of the Great Qin Dynasty. Rockman Chen hopes to give everybody a Shock when they first time login the game.

Track #2 describes Ying Zheng, the first emperor of China.

Track #3 and **Track #13** describe two beautiful villages located in North and South China. **Track #3** focus on the peaceful water and clouds and **Track #13** describes a place where people sing to sky.

Track #14, the ending song describes the Great Capital Xianyang (also recorded as Changan) of the Great Qin Dynasty.

Track #4, #8, #9, #11, and #12 are all recommended. And **Track #5, #6, #7, #10** are for specific game scenes.
