THE ALBUM: Soul Sessions Vol. 1 is NOT you typical hip hop CD. Featuring production influenced by many styles of music (hip hop, jazz, blues, spanish, and more), South Hill Productions employs the assistance of underground artists and DJs from Pennsylvania and beyond to create thought provoking, innovative concept tracks. Not limited to just hip hop, you can find r&b soul music, as well as instrumentals that are good enough to stand completely on their own...not to mention concepts that have become a lost art in today's music climate - tracks exclusively for the DJ. South Hill's Soul Sessions Vol. 1 is one of the great things to happen to underground music in a long time, and is well worth the listen.
