Authentic, imitation, English country song. 17 MP3 Songs FOLK: Traditional Folk, FOLK: Modern Folk
Details: Marching under the unfurling burlap banner of the West Coast folk and renaissance music movement, The Merry Wives of Windsor are delighted to present our third CD, Tales from Windsor's Tavern. Founded in 2002, MWOW has amassed an impressive body of traditional and original folk music. From their rollicking, hard-hitting, bawdy numbers to their soulful and melancholy ballads, these ladies have captivated audiences wherever they perform. Tales from Windsor's Tavern shows a depth and maturity to their music which promises to please whether you are a fan of the pure traditional tunes or their rollicking original pieces. These eleven vocalists sing in three- and four-part harmonies, accompanied by guitar, Irish bouzouki, mandolin, accordion, recorder, fiddle and bodhran. They have developed a remarkably modern sound, yet still remain true to their inspirational roots in folk music.
