Thank you all, for all you did to support us getting to this point :) : I need to give one superspecial shout-out : People that suck have been the fuel that kept this project running. If we didn't feel so dedicated to doing what we can to rid the world of these evils then we wouldn't have an album right now. SO..... Thank you to the Nazi party. Thank you to every household where '(_Racist_Word_)' is said more often than 'friend'. Thank you to every white anglo-saxon protestant family that won't be happy until they own the world, and exploit every bit of it. Great thanks to every rapist, liar, coward, and racist. Thank you to everyone that is killing others. Above all else, Thank you to every leader that is doing wrong. Thank you to those who could influence positive changes but don't. "We must all fear evil men, but there is another kind of evil which we must fear most, and that is the indifference of good men." ---from the film "Boondock Saints" (I recommend it more than any other movie) Our lives have improved because of our attempt to get in a better position to remove these things from our world. So, it's not like we're going to stop now. Fitfully Yours, Yuzien Born
