Deborah's title song 'As Love Goes By' soars with romantic crescendo in one of the greatest love songs ever written. Paul Bartlett is a tender tenor with astonishing theatrical flair. Paul's well-trained interpretive performance of 'Bonnie Doone' is just one example. Debbie and Paul combine to duet in the marriage song 'Two Little Words', destined to become a classic for couples who both want to sing at their wedding. That includes the two Chrys Berri fusion jazz instrumental albums at Spindreamermusic. Video performances of some of the Spindreamer songs were shot at the Murphy Auto Museum in Oxnard, CA and are free to view at the spindreamermusic website. Spindreamer Music supports this not-for-profit museum and offers the 'learning about history through classic cars educational initiative' created by Spindreamer's founder and composer Lance Gordon and called The Spindreamer Project.
