Sofia Tijerina has returned to her native Mexico to capture the ghost that haunts the Rio Grande, La Llorona, on film for her reality show This Old Haunted House. Antonio Valdes, the sexy werewolf lover she left six years ago, is a terrible distraction and a temptation she can't resist now that he's reentered her life. When Sofia begins to have visions of the female ghost, she realizes that Antonio is tied to the mystery of the spirit's fate. Will the secrets he kept from Sofia all those years ago resurface to tear them apart once again? TO MY READER: I can't begin to express how thrilled I am to share Sofia and Antonio's story with you. He's a sexy werewolf, she's a ghost hunter and television personality. Together they're steaming up the Rio Grande as they try to unravel the mystery of La Llorona. Enjoy! ABOUT THE AUTHOR: Lauren Blades has been reading romance since she found the secret stash in her grandmother's house. Now her love of good romantic fiction is no secret because you can find paperbacks and ebook readers all over her house amidst the pet cats and dust bunnies who also live there. When she's not reading, she enjoys writing romance and cooking. Fortunately for her, there's an outlet near the kitchen table so she can put the laptop safely out of range of her culinary creativity.
