

What It Feels Like For A Girl - Jennica Harper

What It Feels Like for a Girl is a series of poems following the intense friendship between two teenagers as they explore pop icons, pornography, and the big, strange world of sex. They soon learn just how complicated sexuality is-and how confusing desire can be. What It Feels Like for a Girl is about many things: the friendships girls have at the most intense times in their lives. Pornography and its "lessons" for the young woman who has never experienced sex in an unfiltered way. What sex and love have to do with each other-if anything. How so many things in this world are two things at once (thirteen is both young and old, Madonna is both the virgin and the whore, pornography is both arousing and terrifying). How teenage girls (like pornography, literature, art) hold a mirror up to the world and show it its true, beautiful, and ugly face.
