• How do attorneys and paralegals assess a case? • How much is a case worth and how do I know?
• What are some differences between the pre-suit phase of a case and the litigation portion of a case?
• What task comes next in the litigation process? • Can you tell me about some real-life experiences
of a paralegal in a trial practice? • What really happens to get a case ready for trial? The answers to
these questions, in-depth and straight from inside the profession, are here! Follow two cases, from intake
to trial, through the entire civil process and gain a broad-based, big-picture understanding of the work
involved as a paralegal in a trial practice. From the author of Behind the Bar-Inside the Paralegal
Profession, this second book in the innovative and popular Behind the Bar series adopts the same
readable, novel-like style and is sure to teach paralegals how to assess and work on any civil case-from
intake to trial. Author: ASTL CLA CP, CATHERINE Publisher: iUniverse.com Illustration: N Language:
