Transform Your Ebook Reselling Business Increase Profits Save Time And Effort Protect Against Expensive Mistakes ... New Package Does All This And More! SPECIAL BONUS Full Master Resell Rights On This Whole Package Included Free ... Dear Friend, If youll give me just 5 minutes of your time, Id like to tell you about a brand new package which could transform your ebook reselling business. To run a successful ebook reselling business, you need lots of products to sell, with new ones added regularly. This can mean a lot of work in getting all the supplied mini sites set up with your payment details. Easy Resell Plus is a new, easy to use software tool which will automate the most difficult part of this process for you. You will save time and effort, and avoid making mistakes which could cost you valuable sales.

For a really successful business, you also need an endless supply of brand new ebooks. Included in this package is a special guide which will tell you the best places to buy your ebooks cheap, and give you essential information on sales techniques. Set Up Your Resell Mini Sites In Seconds Easy Resell Plus will automatically update the payment links in any mini site, ready for you to take payments. Even if there are lots of links scattered around the page, you can update the site instantly, just by pressing a button. The software works by scanning a file and showing you a list of the links in it. You choose a link to replace and enter your own new link. If you use Clickbank as your payment service, your new link will even be created for you. All occurrences of the original link are then replaced instantly and the updated file saved automatically. Easy Resell Plus can be used for much more than updating resell mini sites. It can be used with any document or web page where you want to replace an existing link with a different link. Take a look at the many uses and advantages ...

- Performs simple customization of payment links for mini sites
- Automatically creates payment links for Clickbank
- Updates links in ready made sales letters
- Replaces links with your affiliate links in articles and web sites
- Saves time and effort in all types of customization
- Provides easy updates to dead and moved links on your web site
- Instantly lists the links on any web page for link checking
- Helps prevent expensive mistakes by automating link replacement

Add A Thank You Page Automatically If you are customizing a mini site, you will also need to create a thank you page. This is the page that your customers are sent to after buying the product, so they can download it. With this package, you will get details of how to obtain a FREE copy of brand new software which will automatically build your ready to use thank you pages. Your Essential Guide To Selling Ebooks Your copy of the amazing Official Ebook Sales Guide will show you step-by-step how to automatically sell ebooks for maximum profits! You will learn a simple system used to sell hundreds of ebooks while only working a few hours per week. You will also discover the best places to buy ebooks with resale rights dirt cheap and how to drive targeted traffic to your sales sites without spending a dime! Extra Bonus - The Complete Mini Site Tool Collection Your complete collection of easy to use mini site web master tools. These will save you time, add features to your mini sites and protect your mini site pages from thieves and spammers.

1. Popup Generator automatically creates fully featured popups to add to your mini sites, providing a simple method of promoting offers to your visitors.
2. Affiliate Defender hides affiliate links used in mini sites and emails, increasing click-through rates and protecting your commissions from theft.
3. Instant Site Maker creates complete new mini sites in minutes, making it easy to start selling your own resell products and

packages. 4. Instant Email Scramble lets you add your email address to mini sites without exposing it to the email harvesting robots used by spammers. 5. Instant Meta Maker easily creates meta tags to add to your mini sites, providing more control of how search engines list your sites. 6. Instant Bookmark creates code to include Bookmark this page links in your mini sites, to make it easier for your visitors to return when they are ready to buy. 7. Redirect Boss offers you a simple way to use separate domain names for each of your mini sites, while only paying one site hosting fee. 8. Link Check Generator checks the link popularity of your sites, giving you a simple guide to one of the key methods used by the search engines to rank your pages. Full Master Resell Rights Included Every product in this package comes complete with master resell rights. You can sell each product separately, or sell the entire package and keep all the money. Just make one sale and you can recover your investment. The package comes complete with a copy of this mini site, which you can of course customize using Easy Resell Plus. You can be selling this package within minutes of downloading it!
