Memorable gigs have included playing with major jazz guitarist "Hassan," featuring at the Waterfront caf with jazz group August Moon, and opening for the Barbados National Jazz Festival at Heritage Park in 2000. Andre now passes on his knowledge to a new generation of musicians as Bass Instructor for the NCF Youth Achievement Programme. He has released a solo album entitled "Dolphin's Dream" and is currently working on a second album while holding down the groove in the group Jamango.
