Two Japanese girl's electronic pop,mixed with harmony and piano. 5 MP3 Songs ELECTRONIC: Pop Crossover, POP: with Electronic Production Details: Aroma-Blue is a two-piece electronic pop based in Los Angeles,born in 2002 after Japanese expatriates Ineko and Junko met at an L.A.club and discovered a shared musical vision rooted in the atmospheric aural art of David Sylvian and Ryuichi Sakamoto. They recorded their first album Relax in 2002, in which Ineko's ethereal vocals merged with Junko's melodic piano into something like harmonic bliss.
