

Mp3 Ben Mercadante - Swamp Angel

[DOWNLOAD HERE](#)

Acoustic and Boogie Blues, with roots and folk fusion. An eclectic mix of original singer song writer material along with some roots Dobro instrumentals, exelent traveling music. 14 MP3 Songs BLUES: Acoustic Blues, FOLK: Folk Blues Details: Self inspired music from several years of influence and playing has come to be in this first CD. Having caught some of the flavor of growing up in rural coastal central Florida, the bays and Bayous of those lost days of youth have helped supply a slew of emotional back drop on which these tunes were created. Backed by a solid rhythm section for some of the more produced tunes, along with the occasional improvisational instrumental... a varied mosaic of mood has been created. The honest musicianship and effort of this group shines through on many of the songs along with their haunting melodies.
