This album is a collection of original gospel rock songs. 10 MP3 Songs GOSPEL: Contemporary Gospel, ROCK: Modern Rock Details: Brandon Grissom is a really tall, slightly clumsy singer/songwriter from the northwest suburbs of Chicago. He relocated to Chi-town from Oklahoma City with his wife, Beki, in the spring of 2003. Brandon has a band but it's really big...around thirty people who are never in the same room at the same time. It's actually more like a musical community than a band. Most of these good people are contributors to his new album which just released in October of 2006.
