

Mp3 Corry Hanna - Old Road Gone

[DOWNLOAD HERE](#)

Real electric and acoustic guitar playin' singer-songwriter stuff-Northern California style-like a blend of indie and classic rock, spiced with political and social messages. No drum machines. Real players. 13 MP3 Songs ROCK: Jam-band, FOLK: Political Details: Singer-songwriter Corry Hanna lives in the mountains of Northern California. His musical style infuses rock, folk, and jazz into a unique and original sound. His songs cover such diverse territory as the environment, social commentary, personal relationships, and consciousness exploration. Corry began to learn the guitar at age nine, wrote his first song at age eleven, and was performing original material at fifteen. His songwriting has been influenced by such greats as Lennon McCartney, Dylan, Joni Mitchell, and Jobim, to name a few. He gigs regularly, and has shared the bill with Los Lobos, JJ Cale, Richie Havens, David Crosby, John Trudell, and many more.
