The progressive, American dub/reggae sextet offers up its third album in as many years with "Realization", a double live album recorded at the world class Tree Sound Studios in Atlanta, Georgia. 12 MP3 Songs WORLD: Reggae, WORLD: World Beat Details: Poised to become another name that's dropped when discussions of the world-class Athens, Georgia music scene commence, Dubconscious embraces the role of torchbearer. The band has been testifying to impressed audiences throughout the fertile music cradle of the Southeast for years. Whether opening for acts such as Sound Tribe Sector Nine, Burning Spear, Antibalas, John Brown's Body, Culture, Mofro, Yellowman, Robert Walter's 20th Congress, The Slip, and The Wailers or being offered as the main course, Dubconscious brings healthy servings of spirituality, celebration, and social awareness exemplified by reggae pioneers like Lee Perry, King Tubby, Augustus Pablo, and The Gladiators. Genuinely uplifting live performances coupled with studio recordings that successfully harness the energy and healing nature of the genre they respect and export, the band is the personification of righteousness, and a perfect soundtrack to sway to. Dubconscious strives to become an integral part of the evolution of reggae music, leaving their own indelible mark along the way.
