Ventura county's own InnerVoices band can be described as Rhythm and Blues, hip-hop and/or Jazz. One thing is for sure, it's really good original music. 11 MP3 Songs URBAN/R&B: Rhythm Blues, POP: with Live-band Production Details: Setting a pace for the contemporary Asian American music scene on the West Coast, InnerVoices is Southern California's rising rhythm n' jazz trio. After recording their first single in mid-1999, InnerVoices signed with Unity MusicWorks to produce their full-length debut album, "Heart, Mind, and Soul." The entirely original album is a favorite among music fans, many of whom know them best for their hit singles "Baby Girl" and "Destiny." Characterized by intricate instrumentation and phenomenal vocal performances, the album is currently available online as well as in select music stores throughout California. InnerVoices is Toby, Lew, and Angelo. All three are lead vocalists and have been collaborating and performing together since 1995.
