Classic Old School Power Pop 10 MP3 Songs POP: Power Pop, ROCK: Modern Rock Details: Like finding 5 undiscovered 7" singles (10 Songs Total) at a garage sale by a band you've never heard about but looked very pop and turned out to be that and more. About as fresh a recreation of a by-gone sound in these modern times a pop fan can or will find. Currently opening for major acts in California, and scheduling their debut european tour.....
