

Mp3 Oxo Cubans - More

[DOWNLOAD HERE](#)

Legendary Australian band. Brass percussion vocal contrapuntal funk. Tuba, trombone, saxophones, drums, congas a whole world of percussion. Singing, whistling, dancing, rapping fooling around. 33 kilos of brass, 5 voices 77 percussion instruments 14 MP3 Songs JAZZ: World Fusion, WORLD: World Beat Details: A five -piece groove machine Who Weekly As a live act, these guys are a must see DB Magazine Oxo Cubans play cabaret from the asylum.....the most serious fun youre likely to experience in a night-club all year Adelaide Advertiser They shun the convention of girl leaves boy and boy writes song The Age Tightly arranged Slightly deranged 2005 with a toot Eighteen years ago five Oxo Cubans began tinkering with tones on park benches and at peak beaches. Now four albums and fifty eight tours later these court jesters on just ten legs are the know it alls of halls balls malls and festivals. Touring without tiring, they have featured many times on Australian national TV and Radio. Watch your grandparents grins grow as they cajole chuckles from the cheeks of children and make musical grooves for smooth movers while busking in bus stops with baby boomers. Tough enough to get your teeth into Tender enough to take your teeth out to Brass percussion and vocal contrapuntal funk !
