[DOWNLOAD HERE](#)

Susan's cover "Those Were The Days" recently aired on Warner Brothers Nip/Tuck as result of CD Baby's digital distribution. Her original "Vacation" will have you singing along, sultry "Bad Case Of You" will leave you wanting more. 17 MP3 Songs FOLK: Folk Pop, FOLK: Gentle Details: To Read about Susan Laineys' recent success story w/her cover tune "Those Were The Days" go to her website, susanlainey; which was aired on an episode of Warner Brothers Nip/Tuck 10/11/05 on FX . "Singer Songwriter, Susan Lainey has been performing throughout New England since the early 1970s in all kinds of venues, from coffeehouses bars to fairs , festivals, and talent shows (including one at the famous Ryman Auditorium in Nashville , Tenn.) Her originals call forth images of singer songwriter Karla Bonoff and singers Bonnie Raitt and Emmylou Harris. She has a keen understanding of the popular song form and is a gifted poet as well." (Standard Times correspondent Judy Wallace) Susan has a repertoire of over 100 original songs just waiting to be heard by you, and is returning to the studio to record them with all the frills. But first listen to her debut cd as she sings for you like she's right there beside you. Please take a listen write your own review.
