hiphop,with a SPIRITUAL SOUTHERN TWIST 13 MP3 Songs HIP HOP/RAP: Spiritual Rap, GOSPEL: Contemporary Gospel Details: Hello, my name is the TESDAPHIRE also known as the CAPTIAL ONE. My reason for writing is to explain what inspired my cd entitle I KNOW A MAN.At the age of ten my mother lost her battle to cancer.By the time I turned eleven years old, I was involved in drugs and other criminal activities.At eighteen I caught a drug case (THE CHARGE WAS POSSESSION). I did five months on a three year sentence.When I was released from prison, it wasn't long before I was up to my old tricks.I decided to give it another go at it. I thought I was the man, until H.P.D stepped in. One day while standing on the BLOCK, I was approach by three highly skilled police officers. That's when I was framed! The police planted crack on me and alleged that I beat all three officer up with their own flash light. YEAH RIGHT! IMPOSSIBLE! So, being that I could not afford a high price attorney, I took a plea bargain for a seven year sentence. During my stay in prison I had a spiritual awakening. So from that day on , I decided to tell my story through my music, hoping it will help bring hope to someones' life.This is my story , these are my song.I hope that you enjoy the cd. I THOUGHT I WAS THE MAN , NOW I KNOW A MAN. HUNG, BLED AND DIED, ONLY TO LIVE AGAIN.
