Half vocal and half instrumental power pop garage rock teenage angst with a little '70s punk and '60s bossa nova thrown in, because we can. 12 MP3 Songs POP: Power Pop, ROCK: Garage Rock Show all album songs: She Say Go Songs Details: Andrew Chojnacki of Peachfuzz and Pam Moore of The Neptunas, Cheap Chick and Madame Pamita got together in a converted sweatshop and began playing together. Over one hot summer, they wrote and recorded 6 songs that tell of drug addled Hollywood, high school angst and unrequited love and sent them through the blender of Fountains of Wayne, Weezer, Cheap Trick and Big Star. Delectable hook-laden power pop treats to sing out loud with. Andrew sings lead on three of the numbers (She Say Go, Michael Caine and Thirteen Steps) Pam sings lead on the other three (Little Libertine, Clever Girl, Song About You) and there are six instrumental versions of the same songs that you can use to make the soundtrack to your movie. yes. you can.
