Initial Public Offering: Dance party synth punk that invokes Talking Heads and Primus. It sounds like "Jonka Jonka Jonka" and "Noodily-noodily-Wheee" 14 MP3 Songs POP: Quirky, ROCK: Punk Details: A three piece explosion of Keytar (Ronen Ben) Bass (Jason Randall) and Drums (Danny Golub) The Communication Corporation are in the business of getting people to shake in their pants. Claiming influences from Beck to O.D.B. to Eastern European gypsies, listening to The Communication Corporation is like attending a dirty dance party DJ-ed by the Talking Heads with Primus and Devo getting sweaty in the back. With the release of their unique cd debut I.P.O. The Corp has taken over stages with their dance laden performances occasionally accompanied by rabid businessmen, ballooonmen and one of a kind assortment of theatrics. So if you cant trust your corporation, who can you trust?
