

Mp3 The Hagg - Pop: 60's Pop

[DOWNLOAD HERE](#)

Guitar driven 60's pop with catchy melodies and tight vocal harmonies. Beatles Beach Boys fans will enjoy. 14 MP3 Songs POP: 60's Pop, FOLK: Folk Pop Details: In the year 2000, two members of local Omaha, Nebraska bands formed a side recording project to explore the multi-step process of writing, recording, performing, engineering, and mixing an entire album with complete and total control. The result was "The Hagg", a fourteen song, 60 minute cd which was recorded slowly over a four year period. Taking the folk rock songwriting of guitarist Rex Gray and the pop influences of drummer/bassist Steve Aden, "The Hagg" is a blend of several musical styles of the mid-sixties. From the surf-guitar sounds of "B-E-Z" to the John Lennon-ish "Lose My Mind" to the Boyce Hart-inspired "(She's A)Wrecking Ball", the album takes you on a musical trip culminating with "Ukelele", a dreamy Hawaiian chant. The Hagg are currently working on their follow-up album "Mesmer", which will be available in 2007.
