

Social Learning Theory And The Explanation Of Crime

[DOWNLOAD HERE](#)

Social learning theory has recently been called perhaps the dominant theory of crime and delinquency in the United States. Yet the theory is often misrepresented. Some equate it with differential association theory. Others depict it as little more than a micro-level appendage to cultural deviance theories. There have been earlier attempts to clarify the theory's unique features in comparison to other theories, and others have applied it to broader issues. /span/p Publisher: Transaction Publishers Illustration: N Language: ENG Title: Social Learning Theory and the Explanation of Crime Pages: 00379 (Encrypted PDF) On Sale: 2011-12-31 SKU-13/ISBN: 9780765801333 Category: Social Science : Criminology Category: Psychology : General Category: Social Science : Poverty
