

Black In The White House - Ron Christie

[DOWNLOAD HERE](#)

As a black conservative, Ron Christie takes the road less traveled and often takes heat for it from the liberal black establishment. His insider accounts of his time working for both President George W. Bush and Vice President Dick Cheney offers a view into the world of policymaking at this White House at the highest levels. It also provides a refreshingly candid and positive portrayal of these two men who are so often vilified by partisan opponents and the media. A must-read for those who want to go inside George W. Bush's West Wing.
