Adore's music is quite diverse yet rich, solid and unique. By mixing Pop, Rock, Funk, R&B and even Chill-Out ADORE's songs are anything but ordinary. This multi-instrumentalist artist has also a peculiar strong voice which is easy to identify yet hard to find. One thing is for sure, when you hear him sing you know for sure it's ADORE who is singing. He's interested in mixing different styles such as Pop, Rock, R&B and even Chill-Out creating a new and refreshing sound ADORE has also showed an interest in music since childhood and has both classical and jazz education, and he's a fanatic about music technology and anything related. His first CD "Searching For You" shows a collection of 10 great songs that due to its diversity and originality gives the listener a dynamic musical experience on each track of the CD.
