

Mp3 Allen Levi - Tap The Kaleidoscope

[DOWNLOAD HERE](#)

Acoustically mellow, lyrically rich, thought-provoking and sometimes whimsical storytelling songs. 11 MP3 Songs in this album (42:17) ! Related styles: FOLK: Gentle, FOLK: Modern Folk People who are interested in James Taylor David Wilcox Jim Croce should consider this download. Details: After 13 years of law practice, and 2 years of life in Scotland, allen Levi traded his suits and briefcase for blue jeans and guitar case. Prolific, observant, witty, and beautifully lyrical, his songs and stories are a celebration of simple moments, common people, universal experiences, and a very good God. Tap the Kaleidoscope, self-produced by allen at the studio on his farm in west central Georgia, contains some of his most requested songs including 1412 and 1420 (the song about two houses) and Santa and Victoria (about the Santa display next to Victorias Secret). TTK is a good introduction to the music of allen Levi.
