AcousticTropiPop - Two harmonious singer-songwriters backed by acoustic guitars, electric guitars, bass, percussion, and sundry noisemakers, playing blues, country, and their own unique island music, with an ebullient presentation and a smooth finish. 14 MP3 Songs POP: Pop/Rock, BLUES: Acoustic Blues Show all album songs: Lone Palm Tree Songs Details: Bruce and Colin got together to play live acoustic original music based on their major influences: the blues, the tropics, southern beaches and surf, women, dolphins, sailboats, and guitars. And did I mention women? The live acoustic shows were expanded when the CD was recorded. To make the songs even more interesting, electric guitars, bass guitar, percussion, harmonica and lots of harmonies were incorporated. All the instrumental and vocal parts are performed by Bruce and Colin with no ringers or studio musicians. Not that we would have minded if Paul had played a little bass or Roger had added some jangle, but that was not to be... maybe next time. Lone Palm Tree takes you to exotic places like the Caribbean, like the Bahamas, like the left coast of Florida, even Chicago, Texas, and England. So pour a Kalik or an Anchor Steam, mix a Pina Colada if that's what it takes, and let the Blue Island Beer Club conjure up a desert island with a Lone Palm Tree. Quotes from Just Plain Folks and Soundclick members: "Colin is a musical force... The man knows his stuff!" "Bruce is a great guy and quite the writer too." "Blue Island Beer Club is awesome" "Really nice fanciful jungle style beat with a touch of reggae. Good story, Good lyrics. Good mix. Really nice job." "guitar playing... is absolutely fantastic, really enjoyed it"
