

## Mp3 Clutch Cargo® - Wide Open

[DOWNLOAD HERE](#)

Organic Electronica w/ Vocals. "Wide Open" is a magical mystery tour through delicate Drum n' Bass terrapin, textured Trip Hop touched by Baroque Pop, moody mutated Jazz, creamy Philly soul psychedelia, old new . 14 MP3 Songs ELECTRONIC: Pop Crossover, ELECTRONIC: Dance Details: Imagine a world where no genre, age or past mattered - not in music , not in life ! CLUTCH CARGO imagine that on their first CD, " Wide Open " - a musical mystery tour through delicate Drum n' Bass and terrapin - textured Trip - Hop touched by Baroque Pop , moody mutated Jazz - creamy Philly soul and psychedelia - old and new - it's members grew up with and within . In 2000, CLUTCH CARGO released an EP " The Chill Trip " that happened to feature visiting dignitary Liam Gallagher (OASIS) who , upon visiting CLUTCH's residential environment Bar Noir by accident , dug CARGO's scene enough to jam with them on the spur of the moment. " Wide Open " : a stunning (dis) array of enveloping eclectic moods features the creepy Bjork - meets - Bacharach bacchanalia of ' Someone Else ' . The liquid noir of "Fragile Girl ". The aptly titled " Blue Sky " lingers between a watery midnight of pedal steel mysteries and a dawn touched by dub bliss. " Eternal Kiss " finds it's pucker in childhood nursery rhymes , horn tooting funk and heavenly house sounds. "For us,creating is getting close to God" says Manney of CLUTCH CARGO's expressionist take on their humanity, a process to often left behind in electronic mind/body musics. "Wide Open" is about channeling energies, exploring daily emotions communications, with people of all ages, on a soul to soul level. Imagine giving CLUTCH CARGO an Amen for that ! CLUTCH CARGO IS : George Manney- producer, composer, drums, loops treatments Rocco Notte- keyboards, composer, synth strings Su Tears- chanteuse, composer, guitar keys CLUTCH CARGO was the featured CD "Philly Pick of the Week" on WXPB , 88.5 fm ( March 18, 2002 ) . You can request to hear us . A member supported, commercial free radio.
