The next big artist from Texas. rap/hip-hop aint dead. it was just missing that new southern crunk, or in other words. me. 21 MP3 Songs HIP HOP/RAP: Hip Hop, URBAN/R&B: R&B Rap mix Details: Infatuated with everything and anything having to do with hip-hop Cynikal 3000 is easily making his way to the top. At the age of 14 he started writing that crack!, but once he hit high school he started taking it even more serious. from batteling in school hallways, and lunch rooms, to coming out 1st place at emcee battles at clubs, he was getting his name out so others would know how serious he is about this music bizz. so far he's just been on mixtapes, and other albums, and is now grabbing hold of the desert eagle and letting one fly, with his 1st album entitled...."LOOSE CANNON" which should be hitting streets and stores early 2007. Keep your eyes open and your ears to the street, you could learn a thing or 2. Oh!, and for my fans and non believers....Thnx for the support, YEAH!!!
