Details: Who is "FAYTE"? My name is Deborah Holdorf, I was born and raised in Alaska. I spent most of my childhood years growing up in Wasilla where I raised and showed horses. At 15 I moved into Anchorage and realized my passion for music. Persuing my love for music, I joined an all girl R B band called "Lace". We performed several shows for the military and even auditioned for Jay King of Club Nuvoue. I left the state for a few years to do some traveling, but eventually moved back to Alaska and became a bikini model for the "Alaska Calandar Girls". After 4 years of modeling my musical inspiration returned and I have been writing and singing ever since. I now work as a bookkeeper part-time Real Estate Agent while trying to make my mark in this world. My music is my diary and I am now ready to share it with the world. I hope people enjoy it as much as I do. Thank You
