"Music for hip-hop fans that don't own Guns" 16 MP3 Songs HIP HOP/RAP: Hip Hop, HIP HOP/RAP: Rap Details: "The Red Giants are the newest dynamic duo in Underground hip-hop, consisting of producer Brickbeats (Cincinnati) and emcee/producer Jermiside (Atlanta by way of Cincinnati). The two hip-hop aficionados first crossed paths in late 2003 as Jermiside was making his rounds promoting his self-released debut "The Biology Of Kingship" as Brickbeats was providing his golden era influenced backdrops for numerous rap acts in the Tri-State Area. A year later, after recording a hand full of well-received songs, they decided to combine forces for a full-length release called The Red Giants. Recently Brickbeats' production talent has appeared on Neblina Records' Definition:Hip-Hop Compilation and has also served as the soundscape for half of Tanya Morgan's upcoming release "Moonlighting" meanwhile Jermiside has been making appearances on countless mixtapes and collaborating with various artists such as Ill Poetic, Von Pea, Ilwil, Shameless, Blayze McKee, Skee Tha Sergon and others. Their self-titled release will be hitting shelves late 2005."
