Alternative rock fronted by singer-songwriter and pianist Jodelle. 10 MP3 Songs POP: Piano, ROCK: Emo Details: "A richly orchestrated canvas with haunting moods led by a truly unique voice. Jodelle has created a superb collection of music is a main contender to lead the next generation of talented singer-songwriters." - Greg Calbi (Bob Dylan, Ani DiFranco, Ramones, Interpol, Aimee Mann, Sarah McLachlan) "Unpredictable piano melodies deeply emotional lyrics immediately grab your attention. Her work is significant stands on its own - Jodelle's songs are timeless". - Chris Badami (Early November, Dillinger Escape Plan, Midtown, Roses are Red) "The unique singing voice of Jodelle sets her apart from the marauding army of mellow that sometimes terrorizes the singer/songwriter countryside... Kicking into high gear with actual piano melodies and complex (but not dense) lyrics, Jodelle proves that a piano-playing, female singer/songwriter can still be a wonderful thing. Concertos with a beat." - Cincinnati's CityBeat (9/22/2004)
