Enjoy his self-described "leading edge neo-traditional modern day honky-tonk" country music. 15 MP3 Songs COUNTRY: Modern Country, COUNTRY: Traditional Country Details: Here's what other folks have said recently: ***** "Reminiscent of early Strait, [he] has that wonderful combination of honky-tonk edge and real life depth. A great CD to keep on hand..." - Brett Beavers, Sony Music ***** "...first rate...fresh. Overall this is a cd you have to listen to." - Ken Murray, KTTX FM in Brenham, writes: ***** "...a solid album that repeats the success of Norris's first album [Along For The Ride]. Keith is one of today's artists who best represent the fusion between honky-tonk and new country. Without a doubt... an album not to be missed!" - Cristian Gualandri, Lone Star Time ***** "His band kicks, his show sparkles. In short, this guy delivers big." - Steve Bloch, Southern Cow Music ***** Check it out for yourself to see why this Texas-bred country singer, songwriter, entertainer, and musician has been compared to Mark Chesnutt, Garth Brooks, George Strait, Randy Travis, Alan Jackson, and so many other legends. You'll understand right away why his music is standing alongside contemporaries such as Jamie Richards, Jason Allen, Rick Trevino, Radney Foster, David Ball, Kevin Fowler, Jason Boland, and the Derailers on the Best In Texas charts.
