Fresh, Scientific, Precise Hip-Hop. Heavy Bass, Creative Lyrics, Raw Energy. 24 MP3 Songs HIP HOP/RAP: Alternative Hip Hop, ELECTRONIC: Experimental Details: Past, Present, and Future Sessions is the first solo release by one the most prolific Bay Area underground rap artists, Krownprence the Iceflame. Chicago-born and Las Vegas-bred, Ra'oof Sadat (Krownprence the Iceflame) has unleashed his microphone chemistry over countless tracks the late nineties. His passion for basketball and education brought to the Bay Area; his dedication to evolution and music have allowed him to remain a legend. As an artist, he both experiences and contributes to the rich musical landscape of hip-hop. A true social scientist, Krownprence is able to provide a description of life so imaginative, so cosmic, that as a listener...you are moved! Sessions is a collaborative effort by talented independent, underground artists and it lays the cornerstone in the musical history of an era. Expect dirty production and authentic presentation. Krownprence recorded many of these tracks in dorm room closets and in various home studios. Creativity knows no boundaries as his microphone supremacy is unleashed over musical production by Goodworthy, Young Coltrane, Angelo Shadik, CatClaw Productions, Manny Black, Old E, WaterSun and Krownprence himself.
