

Mp3 Mark Ceaser - Burma Road

[DOWNLOAD HERE](#)

Blue Rodeo meets Johnny Cash and Crowded House on the Canadian Prairies; classic rock and roll influence, with hearty helpings of modern indie-folk, sometimes outright countrified. 5 MP3 Songs in this album (18:45) ! Related styles: FOLK: Alternative Folk, ROCK: Roots Rock People who are interested in Blue Rodeo Johnny Cash Crowded House should consider this download. Details: Mark Ceaser's percussive guitar and heavy rhythm set the tone for his sincere story telling and emotionally driven songwriting. His new solo project is a natural step forward from his previous work with folk rockers Sexually Attracted to Fire. Over the last two years Mark Ceaser has performed at the Regina Folk Festival, Ness Creek Music Festival, JunoFest and Canadian Music Week, sharing the stage with Sarah Slean, Wil, Rachelle van Zanten, David Celia, Peter Katz, and Cuff the Duke. Mark Ceaser's debut EP, titled Burma Road, is a collection of experiences, emotions, and responses to growing up on the Canadian Prairies. His contemporary folk lyrics expose the complexity and reality of rural living. Ceaser enlists the talents of producer Ross Nykiforuk (The Northern Pikes, Deep Dark Woods) to create songs that give listeners a place to go that is both fresh yet familiar. classic rock and roll influence, with hearty helpings of modern indie-folk, sometimes outright countrified. Ceaser's Burma Road portrays the rustic idiosyncrasies of the prairies, with songs that serve as both quaint pastoral sentiment and boot-stomp bonfire sing-a-longs - The Neighbourhood Express Thumbs up was the consensus. Star Phoenix unpretentious and likeable Planet S
