Fourteen original songs, offering plenty of traditional and alternative country style, bolstered by the magnanimous vocal performances of Kevin Trainor. 14 MP3 Songs COUNTRY: Traditional Country, ROCK: Americana Details: Countrytime is the second album from Nice Boys From New York, and it offers fourteen original songs in traditional country style, including one about a motorcycle, one about Jerry Lee Lewis, and a whole bunch about love affairs gone wrong. The album is sung by Kevin Trainor, past winner of the Marlboro Country Music Sweepstakes, and features the playing of Howie Wyeth and Scarlet Rivera, both formerly members of Bob Dylan's Rolling Thunder Revue. Two of the tracks were recently selected for the soundtrack to the independent film, "On the Borderline."
