Melodic rock with imaginative lyrics and more hooks than a bait shop 12 MP3 Songs POP: Beatles-pop, ROCK: Modern Rock Details: Remember when music was more than just a pretty face, tight clothes and heavy marketing? When songs were crafted and honed to a fine edge? When songwriters wanted to connect with their audience and actually had something to say? So do I. "Ugly Radio" represents loving hard work and thought - and a cry in the wilderness for some musical sanity amidst a sea of force-fed "genre of the moment" product. Fashion is temporary. Songs are eternal. Peace.
