Heartwarming songs, sung with a vocal beauty, that wonderfully sum up the feelings of emotional frailty. Like all good songwriters he has a style unique to himself, his songs are quite short but the cd is engaging and the tracks are crackling with energy 10 MP3 Songs EASY LISTENING: Mature, FOLK: Gentle Details: UK artist Stu Barratt, lives in Manchester, and his album Wilderness is a realisation of musical beauty, Sung in a voice that is haunting and beautiful it graces more as a acoustic soundscape, woven beautifully which is brittle and delicate, Music Magazine found it "beautiful and alluring" Stu will be touring the USA all the way from over the pond this Fall and Winter. Some reviews, "this album is mesmerising" 4/5 Musician Magazine UK "At last not a puppet to review but a real songwriter it is a pleasure and a joy to listen to, simply beautiful" 8/10 Sunday Tribune "Haunting, delicately woven with a voice that is like it is otherworldly" La Musique principal (****) "Until this week i think noone had ever heard of him, i don't think that will last for much longer, quite simply a star for the future" NME "If this is his first album, i carn't wait to hear the second, like all good things we want more now!" 8/10 Scotsman
