Contemporary-Hawaiian mind-bending, songs of social and political vision for Hawaii and the planet. 12 MP3 Songs WORLD: Island, FOLK: Political Details: This one is different. "SUFFEREIGNTY" is the title of the newly released CD by SUGahDADDY'ehawaiianrockband. While they deliver again top-rate musical performances, as you might expect from winners of the Hoku Awards and Hawaii Music Awards in the Rock category for the last two years, they do this one as a mind-bending contemporary Hawaiian unplugged opus to the Sovereignty effort and its consequences to our souls. Acoustic storytelling at its best, this CD is packed full of profound observations and lyrical prose evidencing the band's progressive social and political vision for Hawaii and the planet. A truly fresh perspective, it offers us history, humor, honesty, humility and hope. SUGahDADDY's home-grown, indie approach, arriving on the scene at this incredible time in history will drive SUGahDADDY to the top of the charts, not just here but around the world. The songs of Suffereignty will become anthems for our time. LISTEN. Just LISTEN and HEAR. You will know too.
