

Mp3 Tom Cullen - Key2thedoor

[DOWNLOAD HERE](#)

Key2thedoor is an eclectic alternative dance and pop album that reflex cosmopolitan life in London. An album designed to suit your every mood and frame of mind. 10 MP3 Songs POP: with Electronic Production, ELECTRONIC: Dance Details: Tom Cullen attended the BRIT Performing Arts School in London England where he honed his skills as a songwriter/producer and performer. He had songs included on the annual showcase CD and performed at all the music showcases at the school. Since leaving college Tom Cullen has won battle of the bands with songs he co-wrote in band Pure and had songs included on inventive records dance compilation 'Sounds of the Underground', as reviewed in Mix Mag and Touch magazine. Tom Cullen has also recorded vocal samples for Tekniks sample CD 'Millennium Garage', as reviewed in Sound on Sound. Tom Cullen has released Key2thedoor independently and created the album to suit the mood of the listener. What frame of mind you are in there should be a song for you. Latest feedback from satisfied customers is that the album sounds a bit like - The Isley Brothers, Basement Jaxx, Air, Daft Punk, Midnight Funk Association, Prince, The Neptune's, Stevie Wonder and The Specials. As you can see Key2thedoor is eclectic. Tom has sold over 200 copies of the album so far at his showcase gig at 272 in Battersea and at gigs at the Troubadour in Earls Court. Pictures from the showcase are on Tom Cullen's website - tomcullen.com
