

Space, Place, And Violence - James A. Tyner

[DOWNLOAD HERE](#)

Direct, interpersonal violence is a pervasive, yet often mundane feature of our day-to-day lives; paradoxically, violence is both ordinary and extraordinary. Violence, in other words, is often hidden in plain sight. Space, Place, and Violence seeks to uncover that which is too apparent: to critically question both violent geographies and the geographies of violence. With a focus on direct violence, this book situates violent acts within the context of broader political and structural conditions. Violence, it is argued, is both a social and spatial practice. Adopting a geographic perspective, Space, Place, and Violence provides a critical reading of how violence takes place and also produces place. Specifically, four spatial vignettes - home, school, streets, and community - are introduced, designed so that students may think critically how 'race', sex, gender, and class inform violent geographies and geographies of violence. Author: Tyner, James A. Publisher: Routledge Illustration: N Language: ENG Title: Space, Place, and Violence Pages: 00240 (Encrypted PDF) On Sale: 2011-10-24 SKU-13/ISBN: 9780415880855 Category: Social Science : Violence in Society Category: Social Science : Human Geography Category: Social Science : Sociology - General
