SQUIDOO LENS GENIUS
HOW TO BUILD *KILLER* SQUIDOO LENSES
FOR TRAFFIC & PROFITS

Learn To Build Squidoo Lenses That Get Ranked Fast, Ranked High & That Ultimately Generate TONS Of Free Traffic!

Learn Why People Are Flocking To Squidoo When It Comes To Generating Traffic The Web 2.0 Way...

Do you need a way to generate traffic that really can be done for free?

Let's face it, there are a ton of ways to generate traffic out there.

Unfortunately, most all of them cost a fortune to even test and becoming profitable with paid advertising is even more expensive.

Other so called free traffic methods require either hundreds of hours of work or thousands a month in outsourcing costs.

Neither of these scenarios is all that attractive so what can you do?

You are going to learn of my private discovery that has allowed me to easily generate tons of free traffic and boost the rankings of my sites using Squidoo!

Squidoo Lens Genius PERSONAL USE RIGHTS ONLY! If you dont know what Squidoo actually is, let me give you the short breakdown... Squidoo is a site that allows anyone to create what is called a lens. A lens is simply a simple blog type web site. Its free and you dont have to know HTML or any programming to do it. Pretty simple right? Squidoo also has cool built in features such as the ability to add affiliate links to site like eBay, Amazon, and other big companies as well as the ability for people to comment on your lens. There is also a voting system that users engage in which gives your lens or web site a rating that users can easily see. This lets anyone who visits your lens know what kind of time and quality that you have put into it. This is only a small sampling of the features and functionality of Squidoo. As you can see, there is a lot of oppportunity for networking, connecting, search engine rankings as well as traffic generation with Squidoo! Squidoo has proven itself as a web property which has weathered the storm of here today, gone tomorrow web sites. Squidoo is here to stay! The most powerful benefit of using Squidoo is the extremely high weight that they have with search engines such as Google, Yahoo!, and MSN. Because Squidoo has been around so long and have demonstrated that they are committed to

quality, the search engines have given them considerably more search engine ranking. So how exactly does this affect you and why should you care? Because you are building a site ON the Squidoo web site, you automatically get a bit of a boost in the search engines versus starting up a new domain name and web site yourself! That means that what normally would have taken months to get noticed in search engines like google can now be accomplished in just a few hours. This is because Google, Yahoo!, and MSN are constantly crawling the Squidoo web site to check for updates, additions, and new lenses (web sites). Because of this hotbed of activity from the search engines, your lens will be in direct line of sight of all of the major search engines! When your lens is discovered, your content is being analyzed on the premise of being on Squidoo not just some other place on the web which gives your site a better rank.
