Three-Way Tie' by Sierra Cartwright Lindsey wins a weekend with a renowned Dom, and when she arrives, she is stunned to discover there are two men to tie her up and give her the experience of a lifetime. Two Doms? Lindsey has no idea what to do with one renowned, unyielding, strict dominant, but when she wins a weekend with Master Rafael, she's shocked to learn he's invited Master Eric to join him. One sexy Dom is beyond her experience, but two gorgeous hunks focussed entirely on her...?Rafael and Eric are determined to give Lindsey the BDSM experience of her lifetime. It's not enough just to pleasure her physically, they won't be satisfied unless she completes the ultimate emotional and mental journey into subspace. In one unbelievable weekend, they take her to the edge of her limits, testing her endurance in a way only two skilled men working together can. 'Head Games' by Desiree Holt When Diego Valdez took his sub, Kaci Ballard, on a trip to subspace, neither of them realised just how erotic that journey would be-or how it would end. International businessman Diego Valdez had a reputation as a Dom for never keeping his subs more than two years. Then came the big gift and the kiss-off. But sculptor Kaci Ballard has been with him for three years and is wondering when her time will be up. Because Kaci has done the unforgiveable-fallen in love with him-and she's not sure how she'll handle the end when it comes. When he tells her he wants to teach her how to enter subspace so they can raise the edge of pleasure/pain she agrees, hoping that will show him her total commitment-and give her the same in return. But neither of them is quite prepared for how this particular journey turns out. 'His Landlady' by Jan Irving "I know I should have waited, bided my time like a good boy but...I am not a good boy," seductive younger man Sloan Kent tells Diana Moore the first time they meet, when the martial arts instructor lures her into an act of unexpected submission. Diana Moore is edgy around new tenant Sloan Kent, owner of a kick boxing school. From the moment she glimpses a martial arts poster of the lean, beautiful man, she wants him, but she can't see a focussed warrior athlete and an earth mother like her having much in common. Sloan's calm Zen facade lulls Diana so that she submits to him the first time they are alone together. Diana has never had such an intense experience, but he's too young to be her master, isn't he? 'The Science of Submission' by Justine Elyot Where do sex and science meet? Ailish

finds out the answer - and it's yes. Yes. Yes, Sir. Ailish's fascination with the shadowy figure known to her friends as The Scientist leads her to discover their mutual interest in some of the lesser-travelled roads of human sexuality. So when Rod suggests she assist him in researching some of the enduring questions of kink, she is too intrigued to resist. They work together to establish the precise truth of the axiom that the brain is the largest human sex organ. What will they conclude? Will they be able to establish, together, a science of submission? And will that research partnership lead to a more intimate relationship? Away From It All' by Elizabeth Coldwell Alyssa's tired of playing by the rules, but when she meets Drew, she's bound to obey him...When the promotion Alyssa Morton worked so hard for goes to someone else, her friend, Kay, books them both into an exclusive spa for some serious pampering. Kay falls ill on the eve of the trip and Alyssa, tired of playing by the rules, decides to go on her own. The spa's policy is to seat single guests at the same table, and she finds herself sharing her evening meal with handsome American actor, Drew Jefferies. Drew recognises in Alyssa a submissive streak she's never dared explore, and in the luxurious surroundings of the spa, free from distractions, he vows to teach her what it means to be dominated. He offers her a chance to give up responsibility
