Disc Description Synth loops - Swinglefunk Volume 2 contains synth loops of one funky 4 bar motif with some swing to it, and lots and lots of rhythmic and tonal variations. The key is C and the tempo is 97. The tonal nuances range from pad sounding to wah wah guitar sounding to organ sounding to kalimba sounding while the rhythm is modulating as well. The tones transpose and layer well, allowing you to make more complex chordal variations and rhythms, and the motif lends well to lots of different styles. Swinglefunk volume 1 is the first half of the same jam and volume 3 is additional takes in different keys. All of these synth loops are completely 'acidized' acid loops including the setting of the keys. There are 515 acid loops in 1 folder. There are 641 MB in this 24 bit version.
