This situation was way out of my control. I was willing to give up anything to go back to the way things were before... I tried my best to comfort and reassure Cecilia that somehow everything would be okay. But I really couldn't be convincing when I could barely convince myself. We were walking into an unknown world. A world without leadership. No government. No medicine. No transportation. No food except what we could grow... or kill. It was going to be mass chaos.
