

Bi-sexual: Tales From The Wild Side - Michelle Houston

THEY ENJOYED THE BEST OF BOTH WORLDS! In this enthralling collection of wicked tales, bi-sexuals enjoy both the pulsating hard lust of a man and the silky smoothness of a woman. Each sex holds its mysteries, has its own sensualities. Bi-sexuals are the lucky ones who savor both. Each of the stories contained in this book will take you to the wild side - if you are wild enough to walk it! You will meet a seemingly diverse group of women and men who seemingly have nothing in common. Some are straight, some are gay - but all share a common denominator: they all swing both ways! Here is what In the Library Reviews has to say about Michelle Houston's masterful erotica: "The stories, while very hot, [are] well written and flow beautifully. Ms Houston's writing is a refreshing addition to the erotic world . I'll be anxious to read more in the future." Cover: T. E. Burden
